Occult America: The Secret History of How Mysticism Shaped Our Nation Mitch Horowitz

From its earliest days, America served as an arena for the revolutions in alternative spirituality that eventually swept the globe. Esoteric philosophies and personas—from Freemasonry to Spiritualism, from Madame H. P. Blavatsky to Edgar Cayce—dramatically altered the nation’s culture, politics, and religion. Yet the mystical roots of our identity are often ignored or overlooked. Opening a new window on the past, **Occult America** presents a dramatic, pioneering study of the esoteric undercurrents of our history and their profound impact across modern life.
