Not all conspiracies are global; some are well-hidden in small towns with perfect facades...

Experience Jade Snow's humble beginnings as a sexy international super-sleuth in "Small Town USA," before she turns spy extraordinaire in GOLD TRAIN (Accidental Spy Russia Adventure)!

Jade Snow, international journalist who braved Iraq and Afghanistan, arrives to the idyllic Berkshires, MA. But Stepford is the perfect town where nothing is what it seems. The idea is for Jade to get her rest before the arrival of the baby and while her husband is on a dangerous assignment to Somalia. However as usual, Jade finds a life-threatening adventure where no one else would look. She must get to the bottom of the unlikely local conspiracy, free up a rape victim from her terrified silence and rehabilitate the wronged man. All this, while managing to stay sane and alive. Camouflaged as a cozy mystery, including the incumbent knitting club and a cool super-sleuth cat, Stepford USA digs much deeper, including the ironic look at a typical American small town setup, complete with kindly, yet utterly clueless local knitting ladies, and a stinging satire encouraging the reader to acknowledge the corruption and failures of the American justice system. *Beautiful setting, a wisp of romance, mystical element + humor included at no extra charge. For readers 14 through adult. Includes Accidental Spy Sampler: excerpt from GOLD TRAIN + excerpt from future DRAGON GATE, Accidental Spy Asia Adventure*

Note: While each book in the Accidental Spy Adventure Series stands on each own, it is advisable to read them sequentially to fully appreciate plot twists and character development.
