About A Dragon (Dragon Kin, Book 2) G. A. Aiken

For Nolwenn witch Talaith, a bad day begins with being dragged from bed by an angry mob intent on her crispy end and culminates in rescue by - wait for it - a silver maned dragon. Existence as a hated outcast is nothing new for a woman with such powerful secrets. The dragon, though? A tad unusual. This one has a human form to die for, and knows it. According to dragon law, Talaith is now his property, for pleasure... Or otherwise. But if Lord Arrogance thinks she's the kind of damsel to acquiesce without a word, he's in for a surprise... Is the woman never silent? Briece the Mighty knew the moment he laid eyes on Talaith that she would be his, but he'd counted on tongue-lashings of an altogether different sort. It's embarrassing, really, that it isn't this outspoken female's magicks that have the realm's greatest dragon in her thrall. No, Briece has been spellbound by something altogether different - and if he doesn't tread carefully, what he doesn't know about human women could well be the undoing of his entire race...
