**Deliver us from PREFIXES: Our Class' Crazy Way to Remember our Greek & Latin Roots** Mrs. Rashaun James

The students in Mrs. James' class really struggled to remember their prefixes and Greek & Latin Roots, so together they created a CRAZY story to make sure they would never forget them again! Learn your prefixes and laugh out loud with the ghetto-fabulous Bi-Quiesha Twice, who does everything in twos, and the gloomed and depressed DeDe Downer whose drama filled journey will make you bug out your eyes and drop your jaw! When you meet identical twins, Mis & Mal, their cussing, biting, hitting and unruly behavior shows you right away that they live up to the meaning of their names: BAD! Over 30 prefixes have been developed into unforgettable characters, places and situations that help students learn and remember prefix meanings ... almost without even trying!
