Faith Crisis: What Faith Isn't and Why It Doesn't Always Do What You Want Ron Dunn

Many well-meaning Christians misunderstand the role that faith plays in our relationship with God. And because we don't understand the ways of God, we open ourselves up to losing faith if he doesn't deliver what we want, when we want it.

But the Bible promises that God always rewards real faith. So what, then, is true faith? And how do we tell the difference between truth and a counterfeit faith that is nothing more than false advertising?

In *Faith Crisis*, Ron Dunn guides us through a study of the nature of faith, using Scripture and real-life examples to show what the genuine article looks like, so there's no mistaking it. You'll learn that it's not about quantity but quality, and that the reward of faith is not in blessings, but in experiencing the very presence of God.
