**I'm Eve - The Compelling Story of the Internationally Famous Case of Multiple Personality** Chris Costner Sizemore & Elen Sain Pittillo

Trade Paperback with 461 + pages. Copyright 1995 - Black & White Photo's - After many years and many lifetimes of silence, Chris Sizemore has decided to tell the full story of her most extraordinary past...She was "Eve" of the three faces of Eve..the woman whose classic case of multiple personality-described in books, articles, and movies-captured the world's imagination. But she never before revealed in print the complete, unvarnished truth about her own life, as she lived it. Her childhood and her marriage-as-well as the startling fact that "Eve" was not then cured of her illness, as previous versions of her case have reported. Her personality continued to fragment, producing more than twenty separate "beings" - "stangers" in her body. Here you will learn what it was like to endure the trauma of split-second changes in personality, often in mid sentence; to answer for actions that one has no memory of committing; to struggle constantly for psychic survival against forces that one hardly dares to admit are real. And how she conquer such an illness. This book was part of her therapy, and its raw, utterly candid self-portrait is a unique record of one woman's unbelievable nightmare and rare personal courage.
