International Financial Management Cheol S. Eun, Bruce G. Resnick

"International Financial Management" combines the fundamental concepts of international finance with solid practical applications. This combination has made it the book of choice at a variety of institutions, including top business schools such as Wharton, Stanford, Northwestern, and INSEAD. Neither superficial nor overly theoretical, Eun and Resnick's approach offers a conceptually solid, treatment of international financial topics that puts students on the right track to becoming effective global financial managers.
