No doubt one of the greatest artists of the 20th century, Marc Chagall (1887-1985) created a unique world full of pathos, poetry, humor, and enchantment, drawing on vivid memories of his Jewish upbringing in Russia. His original style and his connection to the past endured throughout his seven-decade career, despite the great movements and schools of 20th century art which he saw developing around him. All aspects of Chagall's work are covered here, from paintings to stained glass, tapestries, ceramics, and more.
