Fragile Eternity Mortal affections and faery rivalries continue to collide in the town of Huntsdale, as New York Times bestselling author Melissa Marr takes urban fantasy to new heights. After the terrible events of Ink Exchange, the Dark Court has a new ruler. But will Niall's kindness survive his new responsibility to the most violent of Faerie courts? Meanwhile, Seth and Aislinn attempt to mend their relationship. But Aislinn is the Summer Queen and Keenan is her king - and as summer approaches, their chemistry sparks. Will Seth's mortality lose him the one thing he loves above all others? As Niall seeks to control his new Court, Aislinn attempts to resist the seduction of summer, and Seth searches desperately for the gift of immortality, a delicate balance is threatened, and a terrible plot is revealed... Radiant Shadows Melissa Marr's New York Times bestselling Wicked Lovely series continues with the fourth - and penultimate - installment in the darkly seductive story about the collision of the mortal and faery worlds... The events of FRAGILE ETERNITY have left the faery world off-balance, its key players fighting to maintain control over their world - and its secrets... Devlin lives in a world where everything is beautiful, ordered... and cruel. As a prominent member of the High Court and half-brother to Sorcha, the High Queen, he's one of the most powerful faeries of the old guard. Ani lives in a world where every line is blurred. Half human, half faery, half in the decadence of the Dark Court and half out of it, her life of dive bars, tattoos and street fights couldn't be farther from the clean lines of the High Court. But you can't choose where your heart will take you, and when Devlin and Ani meet, two extremes of the faery world collide - with passion, violence and heat; for better - and for worse...
