## **My Brilliant Career** Miles Franklin

My Brilliant Career is a 1901 novel written by Miles Franklin. It is the first of many novels by Stella Maria Sarah Miles Franklin (1879–1954), one of the major Australian writers of her time. It was written while she was still a teenager, as a romance to amuse her friends. Franklin submitted the manuscript to Henry Lawson who contributed a preface and took it to his own publishers in Edinburgh. The popularity of the novel in Australia and the perceived closeness of many of the characters to her own family and circumstances as small farmers in New South Wales near Goulburn caused Franklin a great deal of distress and led her to withdrawing the novel from publication until after her death. Shortly after the publication of My Brilliant Career, Franklin wrote a sequel, My Career Goes Bung, which would not be published until 1946.
