On Joyce: 3 easy essays Bernard Sharratt

This short book offers three accessible essays. *Joyce's Boarding House* shows how the use of language in *Dubliners* might justify his claim for the book as a chapter in the moral history of Ireland. *Portrait of the Artist as an Undergraduate* considers two very different ways of reading Joyce which together have made *Portrait* an ironically appropriate 'set book'. An essay on *Ulysses* explores the puzzling theological concerns which shaped Joyce's reaction to his mother's death and to his own extraordinary literary creations.

Praise for Sharratt's previous work :

- .. an absolutely important first-rate book —Terry Eagleton
- .. fascinating, entertaining, . . very impressive—David Lodge
- .. the most richly-packed book by an English critic in recent years—Nicholas Tredell
- .. astonishing, powerful, playful, brilliantly clever and attractive—Fred Inglis
