In this one-stop resource for middle and high school teachers, Kristina J. Doubet and Jessica A. Hockett explore how to use differentiated instruction to help students be more successful learners--regardless of background, native language, learning style, motivation, or school savvy. They explain how to

- * Create a healthy classroom community in which students' unique qualities and needs are as important as the ones they have in common.
- * Translate curriculum into manageable and meaningful learning goals that are fit to be differentiated.
- * Use pre-assessment and formative assessment to uncover students' learning needs and tailor tasks accordingly.
- * Present students with avenues to take in, process, and produce knowledge that appeal to their varied interests and learning profiles.
- * Navigate roadblocks to implementing differentiation.

Each chapter provides a plethora of practical tools, templates, and strategies for a variety of subject areas developed by and for real teachers. Whether you re new to differentiated instruction or looking to expand your repertoire of DI strategies, *Differentiation in Middle and High School* will show you classroom-tested ways to better engage students and help them succeed every day.
