Tell me the Secret by Marie Rowan

A time travel adventure set on the magical island of Mull, off the West Coast of Scotland

Dom Broadley knew immediately that he had walked through the time door and into not only another age, but into another world. This step would lead him and his companion, Muirne, as they searched for the truth behind the mysterious Mariota stone, into a cataclysmic struggle of wills and wits with some of the greatest mythical heroes and most dreaded creatures of the Celtic world.

The prize was simple. If Dom and Muirne won, they would learn the secret of the Mariota stone and could return to their own worlds. If they did not, they would be doomed to roam forever between the winds.

This book is suitable for both teenagers and adults.
