The Savage Nation: Saving America from the Liberal Assault on Our Borders, Language and Culture
Michael Savage

Michael Savage attacks big government and liberal media bias. The son of immigrants, Savage shows how traditional American freedoms are being destroyed from the outside and undermined from within-not just our own government, but also from alien forces within our own society. Savage argues that if the price of liberty is eternal vigilance, then only a more "savage nation" will enjoy these liberties. Savage's high ratings and the rapid growth of his program prove he is in touch with the concerns of the average American.
