Cass has left the Fae world behind. At home in Vancouver she once again finds herself in the middle of turmoil. Quintus is missing and Lucius is desperate to find him. Calling in an old friend for help, Lucius unknowingly causes a rift between himself and Cass. Between going back to the Academy of Magical Arts, supporting her over worked and frantic boyfriend, and fending off a super sexy, super crazy vampire who has her sights set on Lucius, Cass has her hands full. And in the middle of all of this she is fighting to have Lucius see her as the capable, proven, partner she is and not someone he has to protect. She's starting to wonder if this time, she has bitten off more than she can chew.
