#### **Andrew Blanton:**

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Blood and Guts: A History of Surgery by Hollingham, Richard (2008) can make you sense more interested to read.
