Camilla and Charles: The Love Story Caroline Graham

Spanning decades, the story of Prince Charles and Camilla Parker Bowles is one of the most controversial love stories of our time. In this international bestseller, Royal expert Caroline Graham offers a revealing account of Camilla and Charles' relationship—their decision to marry, the big day itself, and what has happened since the wedding. Graham, who has spoken to sources close to the couple, also looks at how the two were kept apart by the Royal Family, and how the Prince's love for Camilla throughout his marriage to Diana led to Camilla's vilification when their union ended. Caroline Graham is a highly regarded royal commentator.
