G-gasm Method: The Ultimate Guide to the G-spot Orgasm. How to Have a Woman Experience 10, 20 or Even 50 Big O's Per Night. Jani

This book is dedicated to the 1,767,397,107* ladies that have never experienced an orgasm. *My very rough estimate Guys, finally you have clear, concise instructions on how to properly please your woman. The female body is not a whodunit mystery. You don't just stick it, jackhammer away as fast and hard as you can. First one smoking a cigarette wins. **WRONG!** The G-gasm Method will teach you how to really please a lady. You will be strutting around the room like a well-oiled porn star. You will feel like you are ten feet tall because of what you can do to her. You get a tremendous sense of satisfaction knowing you have given your woman **THAT** much pleasure. The look on her face is priceless. There is nothing more satisfying than hearing her scream with pleasure, teasing her, and knowing that she is getting off because of you. Ladies, tape this book to your ass. You will glow like a hot light bulb in a cold hard steel pot. Your self-confidence will be at an all time high. The G-gasm Method is all about pleasing you. You will be screaming "OH MY GOSH" until your throat is sore and your eyes roll back. There is nothing ladylike about it. Total satisfaction.
