"Holy cow! I mean, yeah it's that awesome. Those books that draw you in immediately and keep you hanging onto the edge of your seat are the ones we all love right? Well this is definitely one where you will find yourself so close to the edge you almost fall off. Talk about nail biting, heart racing and down-right worrisome! This is one heck of a thrill ride! I would have to recommend this book to every single paranormal and fantasy lover out there."

"You have it all in one book, vampires, ghosts, flesh-eaters... what more do you need!"

"Let's face it, vampires have been done over and over and over again, yet he found a new angle to approach it all. And what an angle that is!!! Even though there is a lot of horror and suspense, it is by no means too gory to read, and I love gory. This book is fantastic and I am dieing to read the next one."

Jerusa Phoenix has always been close to death -- and not just because of the congenital heart defect she's bore since birth. Jerusa can see the lingering spirits of the dead. She is bright and beautiful, but her sickness, along with her otherworldly gift, has made her an outcast.

When she ventures out one night, despite the warnings of her best friend, Alicia (who happens to be a ghost), and stumbles upon a group of vampires, a battle rages between immortals over Jerusa. She is transformed into a vampire, and is surprised to find that she enjoys it. For the first time in her life she doesn't feel sick. But every light casts a shadow, and from the ashes of the battle arises a creature of incredible destructive potential—a savage flesh-eater whose very existence violates the most ancient of vampire laws.

Now Jerusa must join with the other vampires and use her ghostly power to hunt down the savage beast

before he can wreak havoc on the town and make others like himself.

Jerusa has never been so powerful, but will she be able to find the savage before he attracts the attention of the rulers of the vampire race and bring their wrath down upon them all?
