Administrative Procedure and Practice (American Casebook Series)

William Funk, Sidney Shapiro, Russell Weaver

Administrative Procedure and Practice (American Casebook Series) William Funk, Sidney Shapiro, Russell Weaver

This popular casebook has a unique approach to focusing on real problems and real administrative practice. The latest Supreme Court cases and the hottest issues are discussed. The new edition retains its distinctive characteristics of using problems as the primary pedagogical tool, including problems that do not involve courts; raising the ethical issues peculiar to government lawyers; and orienting the course around administrative law practice, rather than theory. While theory is not ignored, it arises out of the crucible of reality-based problems, providing a basis for students to appreciate the theory.
