**Complete Life of William McKinley and Story of His Assassination: An Authentic and Official Memorial Edition, Containing Every Incident in the Career of the Immortal Statesmen (1901)** Everett Marshall

Marshall Everett (1863-1939) was a famous descriptive writer and historian during the turn of the 20th century.

William McKinley (1843 – 1901) was the 25th President of the United States, serving from March 4, 1897, until his assassination in September 1901, six months into his second term. McKinley led the nation to victory in the Spanish–American War, raised protective tariffs to promote American industry, and maintained the nation on the gold standard in a rejection of inflationary proposals.

McKinley was the last president to have served in the American Civil War, beginning as a private in the Union Army and ending as a brevet major.

No figure of modern American history appeals so strongly to the patriotism and love of the American people as William McKinley, and no volume can have greater interest and value at the present day, or be more dearly prized, than a history of his life in which every event of his great career as a noble youth, a gallant soldier, an able lawyer, a brilliant orator, a grand statesman, a brave patriot and an heroic martyr is set forth accurately, and in a spirit of love and reverence.

This volume is in every respect truly a memorial edition of the Complete Life of William McKinley, whose memory will ever remain in the minds of loyal Americans inseparably associated with his two fellow martyr-Presidents, Lincoln and Garfield, and the record of whose patriotic and noble life is contained herein.

TABLE OF CONTENTS.
