Everything I Ever Needed to Know About _____ * I Learned from Monty Python: *History, Art, Poetry, Communism, Philosophy, the Media, Birth, Death, ... Mythology, Fish Slapping, and Many More! Brian Cogan, Jeff Massey

A comprehensive and hilarious guide to understanding the many Monty Python jokes and allusions

Throughout their five seasons on British television (and well into the troop's movie sequels and assorted solo projects), Monty Python became a worldwide symbol not only for taking serious subjects and making them silly, but also for treating silly subjects seriously.

Monty Python provided a treasure trove of erudite "in" jokes, offering sly allusions to subjects as diverse as T.S. Elliot's "Murder in the Cathedral" (as part of a commercial for a weight loss product) and how to conjugate Latin properly (as explained by a Roman centurion to a Jewish zealot painting anti-Roman graffiti on a wall). It was this combination of the uniquely highbrow but silly humor that inspired countless followers (Saturday Night Live, to name one). This hilarious and helpful guide puts Python's myriad references into context for the legion of fans, scholars, and pop culture aficionados that still strive to "get" Monty Python.
