Everything's Eventual Stephen King

In this eerie, enchanting compilation, King takes readers down a road less travelled (for good reason) in the blockbuster e-book "Riding the Bullet", terror becomes deja vu all over again when you get "That Feeling, You Can Only Say What It is in French" and LT has a theory about pets which will make you stop and think before giving one as a present to a loved one - along with eleven more stories that will keep you awake until dawn Nothing is quite as it seems. Expect the unexpected in this veritable treasure trove of enthralling, witty, dark tales that could only come from the imagination of the greatest storyteller of our time.
