BENEDETTI MARIO

AMOR, LAS MUJERES Y LA VIDA, EL (Spanish Edition) BENEDETTI MARIO

Este libro reúne los mejores poemas de amor de Mario Benedetti. Muchos de ellos están a flor de labio en la gente que los recuerda de memoria los repite al oído de la persona amada los cita en sus declaraciones románticas o los tiene en mente a la hora de garabatear un verso; otros se han convertido en canciones y hasta grafitos. Pocos poetas han logrado establecer semejante lazo con el público saltar las barreras que suelen separar el arte de la vida y decir con una voz original aquello que es patrimonio de todos. Su popularidad es solo comparable a la de Pablo Neruda Federico García Lorca o Antonio Machado. La poesía de Benedetti renueva el lenguaje de los sentimientos y demuestra que el amor esa fuerza emblemática de la vida que encarnan las mujeres es el único elemento que sirve para enfrentar a la muerte.
