Continuo

Danny Rendleman

Continuo Danny Rendleman

Fugues, canons, songs, villanelles, the music of the spheres and the music of the heart—Danny Rendleman’s *Continuo* is a symphony of experience. From a magically commonplace Midwest where the suburbs offer hints of mortality, secrets of the soul reside in nasturtium blooms, and miraculous love hides in a bowl of fruit, the book offers surprises and delights at every turn. Plumbing deep truths lying in and behind everyday objects and events, the poems offer riches of language and observation in his most profound—and profoundly entertaining—volume yet.

—Tom Foster, author of *Seamus Heaney*

These poems use the word “sorrow” and they mean it: they are lyrical about hard lives and hard labor, the way we “make do with what we get.” What is remarkable about them is their compassion and tenderness, their ability to look at the unforgiving nature of our contemporary urban lives and stay sane, calm, and beautifully truthful.

—Charles Baxter, author of *The Feast of Love and Gryphon*, in praise of *The Middle West*

Rendleman’s poems tell us that light cannot be found without embracing the darkness. He has always been a poet of dusk and wit, where hope is blurred but despair is evaded through an ironic intelligence and unexpected swerves of the imagination.

—Jim Heynen, author of *Ordinary Songs* and *Standing Naked: New and Selected poems*, in praise of *Stepping Into the River Once*

From reader reviews:

Ella Butler:

What do you ponder on book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has diverse personality and hobby per other. Don't to be pushed someone or something that they don't want do that. You must know how great and important the book Continuo. All type of book is it possible to see on many resources. You can look for the internet options or other social media.

Betty Ahlstrom:

In this 21st millennium, people become competitive in every way. By being competitive currently, people have do something to make them survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Sure, by reading a reserve your ability to survive improve then having chance to stand than other is high. In your case who want to start reading the book, we give you this Continuo book as starter and daily reading publication. Why, because this book is more than just a book.

Jose Goodell:

As people who live in the actual modest era should be change about what going on or facts even knowledge to make them keep up with the era that is always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Continuo is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Glenna Monaghan:

That guide can make you to feel relax. This specific book Continuo was colorful and of course has pictures on the website. As we know that book Continuo has many kinds or type. Start from kids until adolescents. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore not at all of book are generally make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading which.
