A teen emphasized how much she enjoyed coloring in a coloring book for adults and asked why there weren't any catered toward teens. She inspired me to create one that is specifically for young adults. The coloring book features 50 kaleidoscopes on separate pages, which are outlined in black borders for an easy guide for cutting. Grab your markers, crayons, colored pencils, or gel pens and color until your heart's content. Images measure approximately 7.6" X 6.3."
