Retold for Learners of English by Clare West.

Gatsby's mansion on Long Island blazes with light, and the beautiful, the wealthy, and the famous drive out from New York to drink Gatsby's champagne and to party all night long. But Jay Gatsby, the owner of all this wealth, wants only one thing - to find again the woman of his dreams, the woman he has held in his heart and his memory for five long years. The Great Gatsby, F. Scott Fitzgerald's masterpiece, is one of the great American novels of the twentieth century. It captures perfectly the Jazz Age of the 1920s, and goes deep into the hollow heart of the American Dream.
