The Mormon Cult: A Former Missionary Reveals the Secrets of Mormon Mind Control Jack B. Worthy

Scrutinizing the experience of growing up Mormon, this personal narrative tells the story of one man's disillusionment with his faith and subsequent excommunication from the Church. This account reveals what is posited as inherent racism and sexism within the church and seeks to expose the controlling methods of indoctrination and the harsh process of excommunication. The basic tenets of the religion are explained, personal stories and analyses are shared, and church authorities are cited to support the claims of extreme gender and racial discrimination. From unknowing follower to angry rebel, and finally to a content, worldly man, this book recounts the experience of a survivor who feels the duty to explain his truth.
