Creative professionals seeking the fastest, easiest way to learn design with Adobe Creative Cloud choose *Design with Adobe Creative Cloud: Classroom in a Book* from the Adobe Creative Team. Project-based lessons show readers, step-by-step, the key techniques for working with multiple Adobe applications. Readers learn what they need to know to create engaging layouts for print and web publishing. This completely revised edition covers new tools and essential performance and workflow enhancements, including how to set up assets in Bridge CC, use Content-Aware tools on images and edit video in Photoshop CC, create accurate image tracings in Illustrator CC, design print layouts and documents for mobile devices in InDesign CC, and build a website that works across desktop and mobile devices in Muse CC without writing code.

Lesson files and assets are included as a download so readers can work step-by-step along with the book.

“The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students.” –Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training

Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts
