There are only two things that I know for sure. One, I will always be an embarrassment and an outcast because my magic is broken. Two, Dragons aren't real. Everybody knows that.

I've made peace with my strange life, trapped between the human world and the magical city hidden beneath it. I have a decent job. My own apartment. A cat. Oh, and my smoking hot boyfriend in my bed every night. Too bad he's just a dream. Or is he?

When I wake up with irrefutable evidence of his existence burned into my flesh, I really start to wonder. World shattering ramifications aside, my mundane life just got a lot more complicated. If Asher isn't just a pleasant distraction conjured by my mind every night, then all the crazy things I've been letting him do to me are... real. And he's going to expect a lot more than I'm willing to give when he finally wakes up.

Part 1 of a serial about a forbidden love between a broken witch and a cursed dragon. Novella length, approximately 21,000 words.
