MOLLY & CRUZ is a collection of two novellas and one full-length novel starring academy-award winning actress, Molly Harper, and her on-again, off-again true love, literature professor Cruz Morales.

This women's fiction saga explores not only the two decade long love affair between Molly and Cruz, but also Molly Harper's compelling personal story. Living in the public eye, in these three stories Molly Harper navigates fame, marriage, divorce, scandal and heartbreak as well as the revelation of the secret which intersects the lives of two other women, Norma Wintz, Molly's mother and her greatest ally, and Anne Sullivan, a newcomer to Molly's life.

All three of these women are plunged into turmoil when the most intimate of ties between the three is uncovered. How each of these characters handles the resulting upheaval in their own life, and in their relationships with one another, forms the compelling story of family, secrets and trust in the collection, Molly & Cruz.
