Popular Culture Primer (Peter Lang Primer) John A. Weaver

This revised edition of the *Popular Culture Primer* is an introductory text that traces the history of popular culture and cultural studies. Besides covering the traditional subjects such as the influence of the Frankfurt School and the Centre for Contemporary Cultural Studies, this book covers the cultural studies of science and technology, the biosciences, drugs, and sports as well as other often-ignored topics such as science fiction, fan cultures, and childhood studies. It looks at the impact these topics have on our understanding of education and popular culture. The *Popular Culture Primer* is an essential text for any class devoted to teaching the history and importance of the subject.
