The Art of the Possible: A Compassionate Approach to Understanding the Way People Think, Learn and Communicate Dawna Markova Ph.D.

The Art of the Possible presents an innovative approach to understanding the way people think, learn, and communicate. According to Dr. Markova, each person's brain organizes, remembers and creates using three different pathways--auditory, visual, and kinesthetic. These combine to form one of six possible patterns. The Art of the Possible helps you identify yours and use it effectively.
