The Laird (Captive Hearts) Grace Burrowes

***New York Times* and *USA Today* bestselling author Grace Burrowes delivers another passionate Regency romance...**

He left his bride to go to war...

After years of soldiering, Michael Brodie returns to his Highland estate to find that the bride he left behind has become a stranger. Brenna is self-sufficient, competent, confident-and furious about Michael's prolonged absence.

Now his most important battle will be for her heart

Brenna is also hurt, bewildered, and tired of fighting for the respect of those around her. Michael left her when she needed him most, and then stayed away even after the war ended. Nonetheless, the young man who abandoned her has come home a wiser, more patient and honorable husband. But if she trusts Michael with the truths she's been guarding, he'll have to choose between his wife and everything else he holds dear.
