Responding to readers' success stories, practical questions, and requests for extended examples, this ideal volume builds on the groundbreaking work of *Bringing Words to Life*. The authors present additional tools, tips, and detailed explanations of such questions as which words to teach, when and how to teach them, and how to adapt instruction for English language learners. They provide specific instructional sequences, including assessments, for grades K-2, 3-5, 6-8, and 9-12, as well as interactive lesson planning resources. Invaluable appendices feature engaging classroom activities and a comprehensive list of children's books and stories with suggested vocabulary for study.
