Essentials of Human Anatomy and Physiology, Books a la Carte Edition (11th Edition) Elaine N. Marieb

NOTE: This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value for your students—this format costs 35% less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Now in its **Eleventh Edition**, the best-selling *Essentials of Human Anatomy and Physiology* continues to set the standard for one-semester A&P texts. With her hallmark clear and friendly writing style and meaningful analogies, Elaine Marieb emphasizes the relevance of anatomy & physiology to your life and future career. Now fully integrated with MasteringA&P®, the book continues to offer just the right balance of anatomy, physiology, and clinical coverage to make the content complete, but not overwhelming. New clinical photos in the Homeostatic Imbalance feature help you visualize diseases and disorders and new integrated Concept Links help you make connections across topics and body systems. A new, more modern design makes the book more accessible than ever, and new specific references to MasteringA&P direct you to study tools and resources that reinforce your understanding of chapter concepts.

Written specifically for the one-semester course, this text presents a superior teaching and learning experience for you. The program allows you to:

- **Personalize learning with MasteringA&P:** MasteringA&P provides you with engaging experiences that coach you through tough topics in A&P, with tools that help you visualize, practice, and understand A&P.
- **Bring A&P concepts to life and provide real-world context:** A dramatic art and photo program features 3-D anatomy illustrations, process figures with descriptive step text, realistic bone art, illustrated tables, and new clinical photographs in the Homeostatic Imbalance feature.
- **Help with Studying and Retaining Information:** Effective pedagogy, including new Concept Links, Did You Get It? concept check questions, figure questions, and end-of-chapter review questions help you study and retain the information you need.
