Are you preparing for the collapse of society? Concerned about making it through the next category 4 hurricane? Looking to be less dependent on an increasingly fragile infrastructure? If so, you are definitely not alone. In this timely follow-up to *The Ultimate Survival Manual*, *Prepare for Anything* is packed with hundreds of gear recommendations, skills, and survival tips and strategies to help you be ready for anything. From an economic collapse to natural disasters to government surveillance, this book has you covered.

### **GEAR UP**

Learn where to begin, from stocking and storing your food and water correctly to buying the right gear for your area, as well as how to create the perfect Bug-Out Bag—and emergency plan—for any situation.

### **GET SKILLED**

Fortune favors the prepared—and the multi-talented. When disaster strikes, will you know how to perform first aid, defend your home, and remain self-reliant? Learn skills that will get you through everything from a power outage to a hurricane to the apocalypse.

### **SURVIVE ANYTHING**

If the worst happens...what happens next? Your survival, if you've read this book. You'll learn how to handle everything from organizing a community and protecting your homestead to growing food, purifying water, and even making weapons.

*Prepare for Anything* will take you through potential threats and teach you how to become prepared for them. This is the book for the preppers all over America. With hands-on hints, easy-to-use checklists, and engaging first-person stories to break down the crucial do's and don'ts, you know how to ride out whatever Mother Nature, the government, foreign powers, or modern society can throw at you.
