VOICE: The Secret Power of Great Writing James Scott Bell

What is the single greatest secret to a breakout writing career? What is it that every agent and editor wants to see, and every reader delights in? It's VOICE. Everyone talks about it, yet no one seems able to define it. Voice has therefore been the most elusive aspect of the entire writing craft to teach. Until now. In this book, #1 bestselling writing teacher James Scott Bell reveals the true source of voice, and what any writer in any genre can do to capture it for their own work. In VOICE: The Secret Power of Great Writing you'll learn: • An actual working definition of voice that is simple yet powerful • Bell's original method for turning that definition into book-length voice power • How to vary voice from genre to genre, book to book • How to enhance voice with emotion, flow, and attitude • How to create vivid word pictures • Exercises to expand your voice and style • Example after example of voice in action Don't settle for good writing. Go for the unforgettable. The secret of voice will help you get there.

From reader reviews:

Lorraine Prinz:

Nowadays reading books be a little more than want or need but also be a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The details you get based on what kind of publication you read, if you want drive more knowledge just go with education books but if you want feel happy read one using theme for entertaining for example comic or novel. The VOICE: The Secret Power of Great Writing is kind of e-book which is giving the reader unpredictable experience.

Virginia Dunn:

Information is provisions for people to get better life, information nowadays can get by anyone from everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is from the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you have the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take VOICE: The Secret Power of Great Writing as the daily resource information.

Cecil Andrade:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this VOICE: The Secret Power of Great Writing can make you sense more interested to read.

David Baxter:

Reading a publication make you to get more knowledge from this. You can take knowledge and information from the book. Book is composed or printed or created from each source which filled update of news. Within this modern era like right now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just seeking the VOICE: The Secret Power of Great Writing when you required it?
