How To Make Natural Handmade Soap From Scratch – A Beginner's Guide For Making Organic Soaps

If you want to learn how to make soap than this book is for you. Not only are you going to learn how to make soap but you are going to learn:

- All three soap making processes.
- How to be as safe as possible when making soap.
- How to create simple soaps and how create amazing luxurious soaps.

You are going to get 23 amazing luxurious soap recipes that you can use with any of the three soap making processes and you are going to learn how to create soaps of your very own. You will learn how to calculate the amount of essential oils or fragrance oils you will add to your soaps, how to calculate the amount of dry additives you will add into your soaps and when to add them so that your soaps turn out beautifully. Finally you will learn how to cure your soaps so they don't dry out too quickly but dry in the appropriate time to ensure they do not crack and to ensure you get the best lather out of your soaps. This book is a complete guide to not only learning how to make soap but learning how to create your very own luxurious soaps to keep for personal use, share with friends or family or even sell.
