The Little Big Book of Breasts

The Little Big Book of Breasts

The best of the biggest in a new portable package: It'll knock both your eyes out without a wallop to the wallet

Some call it the American obsession, but men everywhere recognize the hypnotic allure of a large and shapely breast. In *The Little Big Book of Breasts*, **Dian Hanson** explores the origins of mammary madness through three decades of natural big-breasted nudes. Starting with the World War II Bosom-Mania that spawned **Russ Meyer**, **Howard Hughes's** *The Outlaw* and *Frederick's* of Hollywood, Dian guides you over, around, and in between the dangerous curves of infamous models including **Michelle Angelo**, **Candy Barr**, **Virginia Bell**, **Joan Brinkman**, **Lorraine Burnett**, **Lisa De Leeuw**, **Uschi Digard**, **Candy Kane**, **Jennie Lee**, **Sylvia McFarland**, **Margaret Middleton**, **Paula Page**, **June Palmer**, **Roberta Pedon**, **Rosina Reville**, **Candy Samples**, **Tempest Storm**, **Linda West**, **June Wilkinson**, **Julie Wills**, and dozens more, including **Guinness World Record holder Norma Stitz**, possessor of the **World's Largest Natural Breasts**.

This new portable edition contains all the same **beautiful and provocative photos**, plus the nine original interviews, including rare conversations with **Tempest Storm** and **Uschi Digard**, and the last interview with **Candy Barr** before her untimely death in 2005. In a world where silicone is now the norm, these spectacular real women stand as testament that **nature knows best**, while this new affordable edition shows **TASCHEN** knows what you want.

Text in English, French, and German
