Post-structuralist Geography: A Guide to Relational Space Jon Murdoch

Post-structuralist Geography is a highly accessible introduction to post-structuralist theory that critically assesses how post-structuralism can be used to study space and place.

Key Features

- Offers a thorough appraisal of the work of key post-structuralist thinkers, including Gilles Deleuze, Michel Foucault, and Bruno Latour
- Provides case studies to elucidate, illustrate, and apply the theory
- Presents boxed summaries of complex arguments which - with the engaging writing style - provide a clear overview of post-structuralist approaches to the study of space and place

Comprehensive and comprehensible - communicating a new and exciting agenda for human geography - **Post-structuralist Geography** is the students' essential guide to the theoretical literature.
