Aston Martin: Power, Beauty and Soul David Dowsey

2013 marks a significant milestone for Aston Martin - it's their 100th Anniversary and the start of their second century in automotive design. This comprehensive history is full of beautiful color photography and detailed illustrations from the past hundred years. Aston Martin: Power, Beauty and Soul reveals the stories behind some of the world's most desirable motor cars. Each of the more than sixty models constructed since the 1987 Ford acquisition are featured, including concept cars, special edition models and never-before-seen bespoke orders. Each chapter details an individual model's fascinating history and development and includes comprehensive specifications. This book is also about the dedicated people behind the scenes who brought these magnificent vehicles to life; their stories are intertwined with those of the cars.
