Jennifer's military husband, Michael, has always stood firmly at the head of their household by doling out stern, but loving, discipline. When Michael returns from his latest deployment, there's something different about him. He's distant and aloof. After attending a meeting with men at a local church, Michael's disciplinarian side comes back stronger than ever, and it's not long before he's keeping his wife in line with sound spankings.

Jennifer is thrilled to have her alpha male husband back, but with her willful nature, sometimes obeying him completely is difficult. How many spankings will it take to get the rebellious wife to listen?

**Love, Honor, and Obey is a standalone domestic discipline romance with an HEA. It contains graphic love scenes including domination and submission, and a wife being spanked by her husband. Intended for adults only.**
