Oscar Wilde

Epigrams (Wordsworth Reference) Oscar Wilde

"There is only one thing in the world worse than being talked about, and that is not being talked about", said Oscar Wilde more than a hundred years ago. But this remark seems perhaps even more relevant to our present world where so many seek publicity at any cost. Wilde's well-turned phrases and spontaneous insults still cause much amusement and admiration. Most of us miss the opportunities for bon mots, finding them long after the moments have passed, but Wilde seems never to have been short of suitable words flattering, witty and on occasions savagely cruel. Many of the quotes in this book are taken from Wilde's plays, novels and essays which were also packed with witticisms amounting to an outrageous philosophy.
