Getting Our Groove Back: How to Energize American Jewry Scott A. Shay

In this provocative book, Scott Shay takes on the major obstacles facing American Jewry today. He examines the current state and future prospects of American Jewry and finds a Jewish community that is dangerously adrift and on an overall downward trajectory, due to a community-wide lack of shared purpose, focus, and mutual concern. To counter this downward spiral, the author presents a platform of ten practical and achievable mini-manifestos that can reinvigorate American Jewry as a whole. Casting away conventional wisdom and political correctness, this book carefully brings to bear extensive research as it deals with the most controversial and essential issues facing American Jews.
