Group Counseling with Juvenile Delinquents: The Limit and Lead Approach (SAGE Human Services Guides) Matthew L. Ferrara

A successful group treatment for juvenile delinquents which combines traditional and contemporary influences is described in this volume.

Ferrara discusses the characteristics of delinquents relevant to understanding the value of group approaches, gives practical advice for conducting group sessions and provides a workbook for use directly with group members. Scenarios for role play and a test for evaluating the group's effectiveness for individual members are also included.
