**I Am Spock** Leonard Nimoy

**First time in trade paperback: the memoir by the late Leonard Nimoy, best remembered for his portrayal as everyone's favorite Vulcan, Spock, in *Star Trek*, the TV series and films.**

Leonard Nimoy's portrayal of the ever-logical Vulcan, Mr. Spock, is one of the most recognizable, loved, and pervasive characterizations in popular culture. He had been closer to the phenomenon of *Star Trek* than anyone, having played the pivotal role of Spock in the original series, in six motion pictures, and in a special two-part episode of *Star Trek: The Next Generation*. I AM SPOCK gives us Nimoy's unique perspective on the beginnings of the *Star Trek* phenomenon, on his relationship with his costars, and particularly on the reaction of the pointed-eared alien that Nimoy knew best.

Here, Nimoy shared the true story behind his perceived reticence to re-create the role and wrote frankly about how his portrayal defined an icon.
