**Sounding the Trumpet: The Making of John F. Kennedy's Inaugural Address** Richard J. Tofel  
Richard Tofel tells the full story of JFK's inaugural address. He draws on original research materials in the Kennedy Library and elsewhere around the country, as well as exclusive interviews. Unlike earlier treatments of the subject, these include extensive and candid conversations with Theodore Sorensen, Kennedy's aide and chief speechwriter, who has never before discussed in detail how the speech came to be written. In the tradition of Lincoln at Gettysburg, Sounding the Trumpet thus reveals many unknown details about this landmark speech. Includes DVD of speech.
