Twelve

Nick McDonell

Twelve Nick McDonell

Creating a sensation around the world when it was first published, *Twelve* established its seventeen-year-old author as a powerful voice of the new millennium. The chilling novel follows prep school dropout White Mike through the week between Christmas and New Year's 1999, as he takes a year off to deal an alluring new drug to his privileged peers on Manhattan's Upper East Side. But *Twelve* is not a coming-of-age story, because its kids never had a childhood—their parents are off on holiday in Bali or business in Brussels, leaving hired help to look the other way as the kids stay home alone in their multimillion-dollar town houses, partying with drugs and sex and, in the end, much worse.

From reader reviews:

Carmel Smith:

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, the particular best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby for each and every other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book Twelve. All type of book would you see on many methods. You can look for the internet sources or other social media.

Daniel Starnes:

The e-book with title Twelve possesses a lot of information that you can learn it. You can get a lot of help after read this book. That book exist new know-how the information that exist in this e-book represented the condition of the world right now. That is important to yo7u to be aware of how the improvement of the world. This book will bring you inside new era of the internationalization. You can read the e-book in your smart phone, so you can read it anywhere you want.

Marilyn Chambers:

You can spend your free time to study this book this e-book. This Twelve is simple to deliver you can read it in the playground, in the beach, train as well as soon. If you did not have got much space to bring typically the printed book, you can buy typically the e-book. It is make you quicker to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Christopher Williams:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Twelve can make you really feel more interested to read.
