Included in this **Wild Boys Bundle II: 3 MORE Hot Tales of Threesomes** are:

---

**A Surrogate for the Lumberjacks: A MFM Threesome**

**Anna felt the soft pressure of Jack's hand on her shoulder. She turned to him, finding herself quickly captivated by the dark chocolate swirls of his eyes. “Anna, we’re not exactly ‘gay’ in the strictest sense. And, well, we believe and would like our heir conceived in the most naturalist of ways.”**

Over a year ago, Anna signed up with Ms. Peretz's Surrogate Agency with the aim of earning some cold hard cash to pay off mounting college debts, but she has yet to be picked by a couple. And so when Ms. Peretz offers her a curious opportunity with a **couple of lumberjacks**, Anna heads straight to their hillside cabin to strike a deal.

Anna went prepared to hear all sorts of odd customer/parent demands, such as diet restrictions and exercise requirements, but the last thing she was expecting was to be offered the role of both **surrogate** and participating partner... When the **rough and rugged** Jack and Bruce Traherne request that they make this a **more intimate arrangement**, Anna just may find herself lost for words.

Just how much convincing is she going to need to make this **party of three** become more?

---

**The Cowboy Shack: A MFM Threesome with the New Roommates**

**Katie was at a loss for words. First of all, she had been thinking of getting Dane alone in her room since the first day he showed her the place. And she had also always found the young red-haired Randy likewise handsome and desirable. But were these two really cornering her? Together? Or was this just how the boys acted once they got to know a girl.**

Katie's about to get a whole new introduction to what it means to play by the **house rules** when she moves in with the **handsome cowboys** Dane and Randy.

This young waitress is just coming out of a bad relationship, and they say the best way to get over someone is to get under someone else. But what if that someone turns into *someones*? And is she prepared to handle the full meaning of a **bareback party of three**?

---

**Twice the Trouble:** A M|F|M Bisexual Western Menage at the Cowboy Rodeo

**But then, when his hands reached around and slowly undid her cowboy's belt buckle, and when Finn unbuttoned Luke's western-styled shirt and afterwards pulled his own faded t-shirt over his head, she started to put together the puzzle pieces.**

*Luke wasn't stepping out on her with another woman, he was doing it with his best friend Finn. And now, now he wanted the both of them to be a part of it.*

Rue is about to marry the man of her life, the famed **bareback bronc rider** Luke Evering. But when rumors surface that her cowboy's been seeing someone else during travel competitions, she's determined to get the answers from Luke himself.

Only the plot thickens and what she soon finds out is that it isn't another woman her boy's been chasing, it's **another man**. His best friend to be exact. Can Rue handle an **impromptu menage** in the haystacks? Or will she have to take matters into her own hands?
